

Please join us in recognizing a number of hugely successful groups of Hundseth Hero's that got to share their 'Heroism' with the good people of Saskatchewan during some very difficult times.

We've got a few call-outs to HPL Hero's that provided note worthy work for our clients.

We *also* had several crews that went out to restore power in an area overtaken by freezing rain and extreme wind that knocked down power lines.

We *also* had several crews that went out to restore power in an areas of the province being ravaged by forest fires.

And we also had several crew members help with emergency clean following these substantial emergencies within the province.

Thank you to everyone involved in these efforts, both working on the front-line and those in extremely important support roles – we couldn't be prouder of everyone's significant efforts!

Special shout out to Jordan Quest and his crew; Branden Banga, Tyler Fleischhacker, John Heathcote and Owen Hart! The HPL Regina office received these very positive comments from a recent site visit: *“...very impresses with the organization and crew respect seen on site. Good communication, self awareness of others during every task. Very competent crew.”*

To Shane and his crew who we received positive feedback from our Customer regarding quality of work in Dorintosh, we also would like to thank this crew for showing such pride in their work! Thank you!

HPL POWER LINE
Hundseth CONSTRUCTION

Our Regina crews also have a group of Hero's from the week of May 19th, that helped out to get power restored to the over 25, 000 Customers after a Spring storm that brought freezing rain and strong winds.

All iced up!

HPL POWER LINE
Hundseth CONSTRUCTION

We would like to acknowledge and thank the following for their extreme efforts during this rare SK Spring Storm! We would also like to include anyone who worked 'behind the scenes' to help make this extraordinary effort happen! This includes the Regina Shop, office and other support people in Saskatoon. Everyone involved represented themselves and our Company so well and showed such great pride in their work, we can't thank you enough!

OLD FAITHFUL 😊 (AKA
Myles Derby)

Wow! The week of May 19th, 2021 is one that we at Hundseth will not forget! The first part of the week saw our Hundseth Heros' go out to the Prince Albert area and partner with SaskPower to restore power to over 9,000 Customers. This was around the clock work to get the power restored as safely and quickly as possible! Also, we had a number of crews who took part in the clean-up efforts following the restoring of power.

And notable mentions to the various groups that help support this huge emergency relief including the Saskatoon shop crew, the Saskatoon Safety team and other support staff! This was the work of a well-oiled team of professionals and we can't thank everyone enough for taking this on and making us all proud of their efforts!.
